### **Impact COVID-19**

We all family members are Daily wages Labourers especially this month is Ramzan and also Bagalkot Urban have red zone area. We are facing lock down& Seal down. We are not getting daily wages work, earning also Nil. And our children's also facing a nutrition food problem because anganawadi also closed in this situation we got Ration & Sanitary kit from BIRDS. Suddenly they called please visit our office and collect Ration kit we are not trusted. When we received dry food kit we are very happy. And this is sufficient us to one month we are very thanks to APD & BIRDS.

### **Appeal:**
